### Location

Thornbury is a busy market town, 12 miles north of Bristol, located in South Gloucestershire. The town has a growing commuter population.

Thornbury is located just off the A38, the main route into the town is the B4061 which passes through the centre and connects the A38 to the north and south.

From the A38 the motorway network is easily accessible and Thornbury is located 5 miles from the M4/M5 interchange.

Thornbury has seen a significant growth in population in recent years with hundreds of new homes developed by national house builders to the north of the town and further sites seeking planning consent.

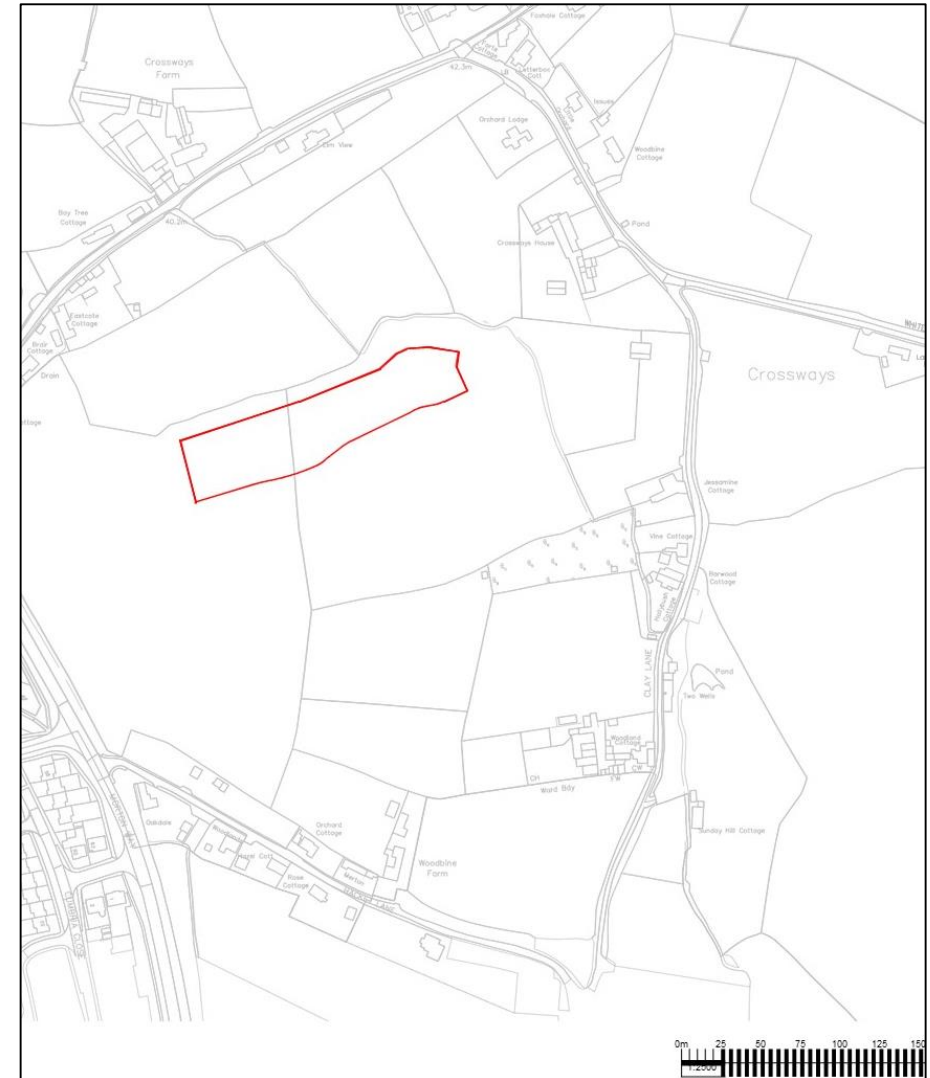

### Description

The site comprises a 0.8 ha (2 acre) parcel of land, as identified on the plan opposite outlined in red, it is located to the East of Thornbury between Morton Way and the A38. The site is currently used for grazing, enclosed by hedgerow and with a new access to be determined.

The Concept Plan below indicatively shows the location for up to 0.8 ha of employment land, shaded purple, within the wider residential development.

The approved Reserved Matters layout below identifies the employment land outlined in blue.

The sale plans included have been prepared for guidance only.
